### **OUR ACHIEVEMENT SO FAR.**

Widows have been empowered through skills acquisition programme in the following area; Tie and dye making, snacks making and head gear, soap making and supported with some token, they have also been impacted and transformed for a Godly stress free life through the study of God's word.

Annually, we take advantage of the children's day celebration to bring orphans with their guardians and various orphanages together in debate and quiz competition for talent and abilities hunt, for the purpose of identifying and establishing them in God's plan and excursions

Furthermore we organise Annual Christmas day convention that brings together orphans, widow and the needy where various gift items are shared.

### **CONCLUSION**

We are grateful for the opportunity to share with you what The Kingdom Friends of the Needy are into, we solicit your support for this course both financially and materially, in order to enhance the life of these ones.

Thank you.
